Making a difference in Juarez

Julie Zara

Hello and thank you again for your support of Amigos en Cristo Ministries. I am thankful for our friends and local businesses who were sponsors for this year's annual AeC Banquet. Along with the donations made at the banquet, the ministry raised more money than in past years! Without your donations and prayers, AeC would not be able to do the work in Juarez, MX.

I am in awe of the number of people who came to the annual banquet to show their love and support. It truly does take a village to accomplish God's work! We are grateful for you and encouraged by your faithfulness. Only God can bring change to those who are burdened

by poverty, loss of hope and suffering.

Without Amigos en Cristo Ministries, Juarez would be even a darker place for those who live there. The work that God is doing through the hands and feet of Pastor Misael, Dr. Doris, teachers, staff and their volunteers is amazing! They are unconditionally loving on people

“We are grateful for you and encouraged by your faithfulness.”

who are lost in their community. They are changing the trajectory of the lives of the children who are blessed to be involved in the open and after school programs, the Bible teachings and the love they receive from the teachers who serve in this ministry; PRAISE GOD! Let us not keep from lifting them up in

prayer each day. They have hope because of your prayers and God's promise.

A CHANGE IS COMING...After many years of providing a printed and mailed newsletter to over 400 of you on our mailing list, the board has decided to phase out the printed and mailed newsletter. Our goal is to use the money spent (around \$2,000 annually) on printing and postage to better serve the ministry. We will transition this out slowly as it will take a while to get everyone's email addresses. If you would please email me; julie@zarascollision.com, and provide me your email address, I will gladly add you to our list. However, if you would still like to receive a printed and mailed newsletter, let me know that as well. May God bless you and your families this Christmas season!!
